3M™ MicroTouch™ System SCT3210EX 22.37"

3M ID: 98000334197

Print Share

The 3M™ MicroTouch™ System SCT3210EX was designed to meet the performance requirements of display applications ranging from 10 to 32 inches. This product portfolio is ideal for applications that require clear glass and do not require anti-glare (AG) properties.
