

Category 6E UTP Cable

Product Facts

- :: Meets or exceeds TIA/EIA-568-B Enhanced Category 6 and ISO 11801: 2002 Class E specifications
- :: Performance characterized to 600 MHz
- :: 8 dB NEXT performance above Category 6
- :: Intertek ETL SEMKO Listed (CMR/CMP)
- :: Independently verified by Intertek ETL SEMKO testing services
- :: Exceeds all requirements for Gigabit Ethernet
- :: Lead-free jacketing
- :: 23 AWG, solid conductors
