Overview

Universal Multi-Pole Breaker Lockouts are made of durable impact-modified nylon and are compatible with most two or three pole breakers with a tie-bar.

- Simply tighten the thumbscrew to clamp the Breaker Lockout securely over the tie bar, then insert the lock to prevent the clamp from being loosened
- This lockout device isolates and secures circuit breaker switches to protect employees against electrical accidents during equipment maintenance
- Equipping your employees with the proper lockout tools and warning devices can save lives, reduce lost employee time, and cut insurance costs
- Brady® is a world leader in lockout/tagout products and services offering industry expertise and a broad range of durable, easy-to-use lockout devices
