Fuse disconnect lever THSI 5X20LED 24

Fuse disconnect lever for diconnect terminal blocks selos / fasis / taris

Item No.	Z1.298.1153.0
EAN	4015573710849
order unit	10 Piece(s)

Approvals

Technical data

General

Colour	Grey
Width/grid dimension	6 mm
Insulating housing	PA666
Inflammability class of insulation material acc. with UL94	V0
Mounting method	Direct mounting
Fuse insert	G-fuse 5x20 mm

Technical data

Rated voltage	250 V
Closing plate required	No
Length	45.2 mm
Type of insulation material	Thermoplastic

Accessories

Remark to rated voltage	Note fuse insert
Remark to rated current	Note fuse insert
Defect indicator	LED
Minimum operating voltage of defective display	12 V
Maximum operating voltage of defective display	24 V
