### 605 Iron Holder

The Hakko 605 Iron Holder offer superior heat resistance and thermal insulation. With the Hakko 605, the soldering iron can be placed in the toolbox immediately after finishing soldering work.

The Hakko 605 can be used with the following Hakko Soldering & Desoldering Products.

- Hakko "Dash" Soldering Irons (N452, N453, N454)
- Hakko "Mach-1" Soldering Irons (918, 920, 921, 922)
- Hakko "Presto" Soldering Irons (980, 981)
- Hakko 455 Soldering Iron
- Hakko 808 Desoldering Tool

**Note:** Please see *Specifications* for more details.
