

New Test & Measurement Product Line 2015-2016

Tested Tough! Trusted Safe!

Klein's new test and measurement products will stand up to the demands of the professionals who use them every day, delivering all the measurement performance and durability needed to get the job done right. These new digital clamp meters and multimeters and electrical testers are packed with capabilities and functionality to exceed expectations on the most demanding job sites.

Tested Tough:

- Designed **TOUGH** to withstand jobsite drops and rough conditions
- Comfortable, compact over-molded housings that are easy to hold
- Easy-to-use dials and buttons
- Large, bright, evenly backlit displays
- Molded-in test lead holders
- Water and dust resistant TOUGH meter models

Trusted Safe:

Klein knows that nothing is more important than *safety* to the professional electrician and electrical technician. These products were designed to meet CAT III or CAT IV requirements, as defined by IEC 61010 (3rd edition) standards. And these new digital clamp meters and digital multimeters boast capabilities that were specifically aligned with electricians' and technicians' expanding jobsite needs and expectations.

Klein's new meters and testers boast the latest innovative, time-saving features designed to meet and exceed their specific job requirements. As always, these products are built to the best of Klein quality standards for the latest in comfort, durability, safety & performance!

Digital Clamp Meters and "TOUGH" Clamp Meters

The Clamp Meter line features a range of products with extensive capabilities (which vary by SKU), with additional **toughness** and functionality added to the "TOUGH METERS" at the most capable end of the range. Please reference "Functions and Features Charts" in the brochure and selection guide for specific clamp meter capabilities, which include:

- Measures AC or AC/DC current via the clamp, and AC/DC voltage, resistance, continuity, frequency, capacitance
- Tests diodes via the test leads; temperature via thermocouple probe (varies by SKU)
- Bright backlit display
- Data Hold, Range Hold, MIN/MAX
- CL310, CL600, CL700, CL800 are auto-ranging TRMS meters
- CL700, CL800 Tough Meters also feature a Low Impedance mode
- CL800 has a built-in worklight and measures DC via the clamp

Digital Multimeters and "TOUGH" Multimeters

The Multimeter line features a range of products with extensive capabilities (which vary by SKU), with additional **toughness** and functionality added to the "TOUGH METERS" at the most capable end of the range. Please reference "Functions and Features Charts" in the brochure and selection guide for specific multimeter capabilities, which include

- Measures AC/DC voltage, DC or AC/DC current and resistance
- Tests diodes and continuity
- Bright backlit display
- Measures temperature, capacitance, frequency, duty cycle
- Data Hold, Range Hold, MIN/MAX
- MM 300 is a manual ranging multimeter; MM400 and MM600 are auto-ranging, and MM700 is an auto-ranging TRMS meter that includes a Low Impedance mode

Electrical Testers, Optional Accessories, Kits, and more...

Klein's new Test & Measurement line includes a variety of additional/optional products for completing the tasks of electricians and electrical technicians, rounding out a product line that will exceed expectations on the most demanding jobsites for years to come.

- Non-Contact Voltage Testers (NCVT1, NCVT2, NCVT3)
- Outlet Testers (Cat. No. RT110, RT210)
- Line Splitter (Cat. No. 69409)
- Replacement Test Leads (Cat. No. 69410, 69418)
- Magnetic Hangers (Cat. No. 69417, 69190)
- Carrying Case (Cat. No. 69401)
- Electrical Test Kits (Cat. No. 69149, CL110KIT)

69035	69035-8	Replacement fuse 6*32 500mA/1000V - MM600/700	1	12.94	9.71	–	\$ 6.47

Sales Support:

Product Images – Easily downloaded at www.kleintools.com.

Brochure (Cat. No. 96431) – available online.

Selection Guide (Cat. No. 96428) – available online.

Copies will also be included with the T+M merchandiser-display (Cat. No. 96438).

Planogram/Promo (PDF only) features the required “Buy-In Promo” of assorted new T+M SKUs to receive a **FREE** interactive merchandiser-display (Cat. No. 96438) w/CL700 and MM600 for counter standing or hanging on peg board.

Videos – Watch them at www.kleintools.com/videos.

Pricing – See above or view online at www.kleintools.com/pricing.
