Light Blocking Vent Panels

This vent panel is the ideal solution for installations where a high open percentage area (64%) vent is needed, and it is desirable to conceal the internal cabling. Includes light blocking material, constructed from 16 gauge perforated steel, flanged for extra strength, and finished in black powder coat.

Part #	Racking Height
VTB-1	1-3/4" (1 space)
VTB-2	3-1/2" (2 space)
VTB-3	5-1/4" (3 space)

VTB-1

VT Vent Panels

With the highest percentage of open area found on any of our vent panels (64%), all VT series products are made from 16-gauge perforated steel, and are flanged for extra strength. Black powder coat finish.

Part #	Racking Height
VT1*	1-3/4" (1 space)
VT2*	3-1/2" (2 space)
VT3*	5-1/4" (3 space)
VT4*	7" (4 space)

* Contractor Packs also available.
