Description
MSDS
Resources

An improved special blend of isohexane, ethyl alcohol, isopropanol and ethyl acetate. Strong enough to clean, grease, oil, smoke, ink, organic and inorganic soils. An excellent choice when a cleaner slightly more aggressive than IPA is needed. Extra effective with the use of M.G. Hog Hair Cleaning Brushes (Cat. No. [852](#) and [853](#)).

In compliance for use in Food Plants

Food contact surfaces are to be rinsed with water prior to reuse and avoid food contamination during its use and storage.

Available Sizes
