

Scotch®

300 Series Barricade Tapes

The Scotch® 300 Series Barricade Tapes are a fast, effective way to restrict entry to hazardous areas.

3M *Innovation*

Product Description:

The Scotch® 300 Barricade Tapes are not only effective but economical as well—with 300 and 1000 feet of tape per roll. One roll has sufficient length to designate a large area. It is constructed of durable polyethylene plastic and measures 3 or 4 mil thick, which prevents accidental tearing. Bold two-inch black characters on a bright yellow or red background are sure to attract attention and ensure that a warning message is clearly visible.

Product features

- Durable polyethylene plastic
- Attractive price
- Bold 2" letters
- Long roll length

Benefits

- Will not tear easily
- Easy to see; attracts attention
- Lower application cost
- Applicable in both small and large areas
