3M™ Fiber Distribution Wall Mount Box, 12 Port

3M ID 80610934905 UPC# 00051138580568 Part Number 8432

🖶 Print   🔁 Share

3M™ Wall-Mount Fiber Distribution Box 8432 offers excellent cable management in low- to medium-fiber count installations. This fiber distribution unit is secure and safe enough for mounting in high-traffic areas. The powder-coated baked epoxy and galvanized-steel construction give it added environmental and physical durability.
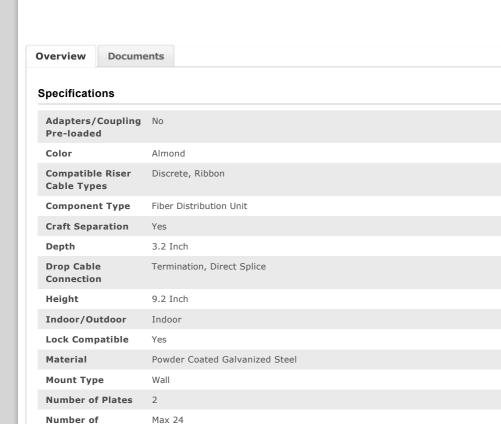

3M™ Wall-Mount Fiber Distribution Box 8432 comes in an attractive, low-profile design for quick and trouble-free installation anywhere in your facility. This fiber distribution unit is suitable for wall-mounted building entrances and network applications. The wall-mount box has 2 separate, lockable compartments to permit cable entry on either side top or bottom for added convenience. The unique swivel partition between the 2 chambers offers quick and convenient access to all adapters.

- Safe enough for mounting in high-traffic areas like LAN applications
- Features a separate lockable compartment for providing a demarcation point between customer and service
- Configured up to 24-port capacity and swivel partition offers easier access to adapters
- Measures 9.2 in x 15.2 in x 3.2 in
- Comes in almond color
- Grommeted cable and jumper openings reduce dust entry while ensuring physical protection
- Removable doors for ease of access during installation
- For use with discrete and ribbon riser cables
- Includes pre-assembled adapter plates to save time
