# 3M™ Reusable Half Face Mask Respirator, Small, 6100

3M ID XA007702633

Print Share

3M™ reusable half face respirator is an economical, low-maintenance, simple to handle and extremely lightweight.

- Economical, low-maintenance, simple to handle and extremely lightweight reusable half face respirator
- Head harness cradle suspension is designed for a comfortable fit
- Lightweight elastomeric material for comfort during long periods of work.
- Low profile design minimises interference with field of view
- Twin filter design provides lower breathing resistance.
- Bayonet connection fitting system to a broad range of filters to protect against gases, vapours and particulates
- Small size version
