Vise Heads

All Vise Heads are compatible with the 300 Standard Base, the 305 Low Profile Base, and the 380 Vacuum Base. A new or additional head will add extra productivity to your existing PanaVise, or start here to build your own work holding solution! All stems are 5/8" (15.9mm) in diameter.

Don't want to fasten your PanaVise to your work bench? Then clamp it temporarily with the Model 311 Bench Clamp Base Mount.
