GUARDSMAN™ ATA CASES

Guardsman ATA 300 Shipping Cases

Heavy-duty black HMW polyethylene material with unique continuous industrial frame based on Platt's patented Guardsman™ design and construction. All hardware is recessed for wearability and shipping purposes. Cases come with padlock provision, spring loaded handle, full-length piano hinge and security type bolts. All top and body interiors of cases are lined with high density foam.

Patented Guardsman Design & Construction.

Construction features HMW polyethylene thermoplastic sheets bent to size to form strong but lightweight shipping cases ideal for computer, video, audio, medical, electronic instrumentation and industrial equipment. All cases use our UNIQUE CONTINUOUS FRAME CONSTRUCTION for maximum strength and durability. Cases include full length piano hinge, recessed spring-loaded handle and latches.

Foam interiors can be made to your individual requirements using polyurethane ether or ester foam, polyethylene foam, anti-static, conductive or static dissipative foam.

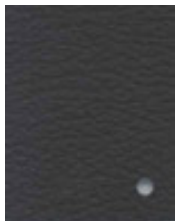

Options include different colors, stacking studs, combination lock, fixed or removable casters, wheels and telescoping handle, key lock, padlockable latches and conductive polyethylene for protection against ESD discharge damage.

All orders (even one case) are quoted by Platt depending on size, foam interiors, other options, and quantity. Call your local distributor.

Color Options

Platt's Guardsman cases are available in:

Black

Safety Yellow

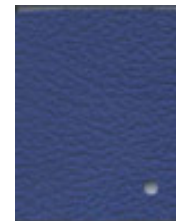

Green

Gray

Blue

White

Other special colors are available with minimum order requirements. Contact factory for availability.

Telescoping Handle ATA

Platt's Guardsman cases are available with built-in wheels and telescoping handle. Not only are the Guardsman cases able to take the rigors of shipping but now when you get the case it is easy to move. Convenient for display cases or product cases.

Custom Options from Platt

In addition to Platt's standard stock-cases, Platt can manufacture a totally custom case to meet your most specific requirements. Please request Platt's Engineering Catalog for the full range of possibilities. Engineering Catalog ENG99-2.
