 Text Search: 'CD-2600-PV6'

Your search criteria matched only one product, shown below

CD-2600-PV6

- Battery powered hydraulic design delivers quick termination of #8 – 2 AWG large wire insulated and non-insulated ring terminals
- Quick 4 second crimping cycle results in less time to crimp terminals compared to conventional methods
- Compact, portable, and lightweight (3.5 lbs.) construction allows simple one hand crimp capability
- Ram retracts automatically to signal crimp is complete
- Retractable slide button allows ram to retract in mid -cycle for manual adjustment of terminals
- Snap in crimp die provides quick change of Panduit interchangeable crimp dies without the use of tools
- 360° rotating, crimp head design allows use in limited space areas

Part Number	CD-2600-PV6
RoHS Compliancy Status	Compliant
Part Description	Used with CT-2600 to install Panduit PV6 and PK6 series large wire, vinyl and KYNAR** insulated ring terminals.
Pricing Description	Crimp Die For CT2600 Tool
Min. Order UOM	PC
Min. Order Qty.	1
