

Product Change Notification (PCN)

PCN Number: 3-20223

Date: September 14, 2022

Title: NRC400,T0,00,PC1

Laird Part Number(s): 385901-001

Reason for Change:	<input checked="" type="checkbox"/> Design	<input type="checkbox"/> Processing	<input type="checkbox"/> Logistics
<input type="checkbox"/> Other	<input type="checkbox"/> Manufacturing location	<input type="checkbox"/> Quality/Reliability	<input checked="" type="checkbox"/> Material

Change Description:

1. Change pump supplier to reduce lead time and improve product availability
2. Enhance software to create a boost mode to limit fan noise in environments that require quiet operation

Identification Method to Distinguish Change:

Current standard part number is 385901-001 NRC400,T0,00,PC1

New standard part number is 385901-002 NRC400,T0,00,PC2

Qualification Data: available will be available on WW___ not applicable

Samples: available will be available on WW___ not applicable

Quantifiable Impact on Quality & Reliability:

1. Slight change to pump performance, reference curve on datasheet
2. Allows for quieter operation for low noise applications

Implementation Date*:

September 14, 2022
