Acknowledgment of this PCN should be done within 30 days. Lack of acknowledgment after 30 days constitutes acceptance of the change without further notification. More information, sample orders and acknowledgment period extension requests must be provided with acknowledgment of this PCN. After acknowledgment, lack of additional customer's response within 90 day period or the period negotiated directly with celduc relais (e.g. with contract) constitutes acceptance of the change without further notification. If the PCN is rejected by the customer, this PCN should be considered as PTN/PDN (product Termination / Discontinuation Notification). In that case, alternative solutions may be found with celduc relais. If the PCN is accepted, the customer should stamp it, sign it and send it back to the Quality Manager of celduc relais. These statements are not promises or guarantees, particularly with respect to any timelines provided in the schedule. All terms of delivery and rights to technical changes are subject to alteration by celduc relais.
