

21-Aug-2023

PCN #: PCN-23-184619

Subject : HDSCS BACKSHELLS 90 and 180 - HEAVY DUTY SEALED CONNECTOR SERIES

Description of Change : The Industrial and Commercial Transportation business unit of TE Connectivity is making a material change to a new supplier PA66 and/or material PA6 UL94 V0 grade for the part number(s) listed below. These PNs are TE proprietary designs, therefore considered catalog/general market product. PPAP and/or sample requests must be submitted within 14 days of PCN submission via ict-ppap-request@te.com or ePPAP system. Submission will not occur without request. If PPAP requested, disposition response is required within 14 days of submit date or it will be considered approved. Product drawing(s) are affected.

Reason : Dear Customer, we hereby inform you of this change. The change is necessary to provide our production plants the ability for procuring a 2nd Source when needed for lead times due to material availability. The change does not impact performance. **IMPORTANT:** The current and previous revisions of these parts can be used interchangeably in the field. The change(s) are being phased in gradually and previous revision can remain stocked until use. Shipments of both configurations may be mixed.

Key Dates :
