# **SOCKETS & HARDWARE**

## 1310 Sockets & Hardware

- Used with 1310 and 1315 relays.
- 3 versions: -Solder Lug
  - -P.C. Terminal
  - -Screw Terminations
- Relay Hold Down Clip Available (1310-HDC)

Part Numbers					
Solder Lug Terminals	Printed Circuit Terminals	Screw Terminals	Relay Hold Down		
1310-1ST	1310-2PC	1310-5SM	1310-HDC		

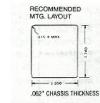

### 1360 Sockets & Hardware

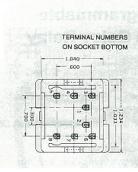

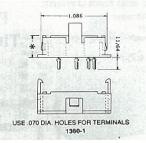

Part Number

1360-1

- Used with 1360 and 1365 relays
- Terminals are both PC and solder lug
- Chassis mount or PCB mount

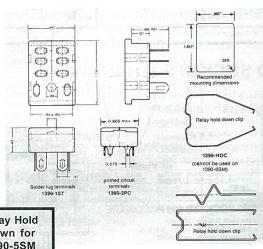

\*Socket may be soldered directly to PC board (O/A height \*=1.320") or snapped through underside of chassis. (O/A height = 1.208" when using recommended .062" chassis thickness).

# 1390 Sockets & Hardware

- Used with 1390 and 1395 relays
- 3 versions:
  - -Solder Lug Terminals
  - -PC Terminals
  - -Screw Terminals
- Relay hold down clips available
