## JACK-PLUG POLARITY CHANGER

We had these adapters designed and manufactured to solve an ongoing problem.  
Have the correct voltage/current AC adapter, but it's the wrong polarity or plug  
size??

These 3 adapters will solve the problem.

**2.1mm Polarity Changer**  
Center positive jack to center negative plug  
(Black color)

**68-102-0** Bulk

**2.5mm Polarity Changer**  
Center positive jack to center negative plug  
(Gray color)

**68-103-0** Bulk

These 2 adapters together with the 68-100-0 2.1mm to 2.5mm Adapter will allow  
you to make your stock AC Adapters fit your customers needs.
